

The newest Schwinn bicycle dealer on the street has been around the block.

Then

Following its 1972 opening in College Park, The Bike Pedalers rapidly became one of Maryland's largest, award-winning Schwinn, Panasonic, and Motobecane bicycle dealers.

Exceptionally fine quality products, excellent service, and a finicky owner who insisted his customers be treated fairly, were the keystones of that success.

Now

That same finicky owner has opened Frederick Schwinn on the Golden Mile next to the Barbara Fritchie Restaurant. Frederick Schwinn features the finest bicycles made by Schwinn, Panasonic, Motobecane, and Cannondale. Exceptional repair services for all bicycles along with a wide array of cycling accessories and parts are available, too.

Visit Frederick Schwinn soon. The area's most experienced "new" bicycle shop.
