Directions

The race course is located within the triangle formed by I270, I270 Spur and I495 (the Capital Beltway) in Bethesda, MD. Look at a map to decide how to get to Bethesda.

When coming from the **East on I495** (i.e. Baltimore): Exit right onto I270 (Frederick, MD). Exit again almost immediately onto Old Georgetown Rd. Turn Left (S-towards DC) and proceed 0.25 miles to the first traffic light. Turn Right (West) onto Rock Spring Drive (see sign for Walter Johnson HS). Course is dead ahead.

When coming from the **South on I495** (i.e. from VA and points S): Exit L onto I270 spur (sign for Frederick MD). Exit again almost immediately onto Democracy Blvd East. Proceed about 1 mile on Democracy Blvd to the intersection with Old Georgetown Rd. (Democracy Blvd ends here). Turn Left (north) and proceed about 0.25 miles to Rock Spring Drive. (see sign for Walter Johnson HS) Turn left and the course is dead ahead.

When coming from the **North on I270** (i.e. PA): When I270 splits, veer left to stay on I270 (avoiding the spur, which would take you to No. VA). Exit again approximately 0.75 miles later onto Old Georgetown Rd. Stay in the right hand lane to go toward DC. Turn right at the first traffic light onto Rock Spring Drive (Walter Johnson HS). Course is dead ahead.
