Bike Shows: NCVV will have exhibits at the Landover Mall Bike Show on April 1, as well as the one at Columbia Mall which is on March 11.

Events of Interest: Two man Team Time Trials are coming up in April. If you need to find a team mate, call Gordon Cagle or sign up on the sheet which will be in the Stevensmobile (Red VW Bus) at the individual time trials.

CHERRY BLOSSOM BIKE IN: Sat., April 7, there will be a bike-in starting from a variety of points around D.C. converging on the Mall to watch the Cherry Blossom Parade. Several thousand riders are expected and experienced cyclists are needed to act as guides, marshalls, helpers, etc. Please volunteer by calling Bob Lovelett at 652-0941. Note: The Potomac Pedalers help out at our major events by acting as road guards, course marshalls, program sellers, etc. Without that sort of co-operation it would be infinitely more difficult to stage those events. Now is the time for the Velo Club to show its appreciation.

NCVC Activities: On the subject of road guards, etc., we need people to act as road guards for the time trial course. The Park Police have been extremely co-operative but they expressed concern last week about the lack of guards on the course. Therefore to help maintain good relations, insure the riders' safety, and make sure no one strays off the course, please tell your parents, spouse, friends and relatives to see John Harriman and ask to be assigned a position. It is even more interesting for spectators to view the race on the course than at the parking lot so the enjoyment of the race by your spouse, parents, friends and relatives will in no way be diminished.

Addenda: Not wishing to beat the subject to death but.....we need volunteers to help organize future

events. In general, the number of events we sponsor is dependent upon having someone (parents, spouses, friends relatives, etc.) to organize and run them. In the past this has been done by the same few people who tend, from time to time, to suffer from acute symptoms of tired blood and sugar plum visions of instant resignation. Therefore, the more parents, spouses, friends and relatives who are willing to come forth and help out, the more events there can be for YOU to enter and enjoy. Don't just sit there and pedal, recruit a volunteer today.

If you have not yet collected your prize, they are available at club meetings or at the Time Trials. Bring your ABL license when you claim your prize.

PHOTOGRAPHERS: Many people have been taking pictures at NCVC events this year and in previous years. We have been asked to give a presentation about bicycle racing at GEAR-73 and will be putting together a slide show. If you have any slides of any races please get in touch with Pete Stevens. Put your name on the slide mounts and all slides will be returned. Also needed: Stills to include in our display at the bike shows.

More Community Service: See the enclosed flyer regarding a bike-in for retarded in Montgomery County. In addition to sponsored riders, volunteers are needed to help with registration, man check in points, dispense lemonade and to ride the course helping with minor mechanical problems, etc.
