We also have entries for Lime Rock Park Road Classic, Lime Rock Park, Conn. This is a Sr. 15.3 mi. race, with juniors welcome to enter. It is to be held this Saturday, May 3, so anyone interested call Peter Stevens right away.

Club Jerseys: At last!! The first shipment of club jerseys has arrived. They are made of Bri Nylon with NCVC embroidered on front and back. For \$17.00 you can get one at the meeting or at Rock Creek Park. Club jerseys are recommended for all club races and Strongly Encouraged (but certainly not mandatory....) for ALL out of town events. Still to come is another shipment of road jerseys and another of track-style jerseys.

National Capital Open, June 24: This year the NCO will be a two stage event. In the morning, there will be a stage in Rock Creek Park over the same course and with the same distances as the Spring Series, and in the afternoon a criterium race around the Ellipse (50 Km. for Seniors). Parents and spouses will be called upon to help work on this major event. Get in touch with Peter Stevens to indicate how you, your parents, or spouse would like to help. There are endless letters to be written, typing to be done, envelopes to be addressed and mailed, ads to be solicited, etc., etc.. Especially urgent is the need for radio communications equipment and printing (entries, programs, etc.) If anyone has contacts in these areas, let Peter know immediately or sooner.

NCVC MAY NEWSLETTER

Quantico: Two hundred and three riders left the start line on a rare sunny, if slightly windy day. Quantico. A Final Word: Many thanks to Hank Whitney (and Alma) for all the hard work and hours of time spent organizing the race. It was an excellent and the race was a big success. We are especially grateful to Hank for making arrangements to have the sun shine for the first time in days. Next year see what you can do about the wind, OK, Hank? Many thanks also to all the others who helped on the registration desk, the corner guards, the drivers, and of course Al Dubbe who kept track of the entries, money, and made sure that everyone ended up with the right number.
