At least 25 NCVC jerseys were in evidence at the Keystone Open. We believe there were even more NCVC members present whom we may have missed. The club organized excellent race support with spare wheels on every corner and replacement bikes on the stretches. Kudos go to Eric Dubbe and Stephan Dolezalek who organized and did most of the work in a 5 man break in the junior race, and to Bob Fisher who after a lone break for four laps broke up the pack, rode with the three man chase group for another five laps and even though was dropped on the final prime sprint still finished in 4th place a minute and a half up on the pack. Fisher also won one prime sprint and tied for second place for most number of laps led.
