MARCH NEWSLETTER

1976

MONTHLY MEETING: The March membership meeting will be held Monday, March 8, 1976 at Park Service Headquarters, 1100 Ohio Drive. The meeting will begin promptly at 8:00 and be over by 10:30. It is hoped that the Club Jerseys will be available for distribution. (Call Paul Lenz for verification). Also to be discussed will be general plans for the coming Racing Season.

FROM THE PRESIDENT: I would like to salute and thank Charlie Frederiksen for coming forward and running the Low Gear Series at the IBM course in Bethesda. It is very encouraging to see new and young blood surfacing and doing a very good job.

I also want to say that we are looking for volunteers to form a committee to write up a bid for the 1977 National Road Championships. The proposal has to be completed and submitted by April. Please contact Peter Stevens for further information and assistance.

Members who wish to introduce new business at the club meetings are urged to contact Mike Butler prior to the day of the meeting. In that way you will ensure inclusion of your topic in the meeting agenda.

FROM THE VICE-PRESIDENT: John Prehn is coordinating out of town race information. He will keep a master list of out of town races and all available pertinent information which will be updated regularly. If you need information about a forthcoming race call him at 659-1997 during the day and 280-4468 evenings.

FROM THE EXECUTIVE COMMITTEE: In a letter from Michael Butler, NCVC president, to Mr. Otto Wenz, president of the USCF, the Executive Committee expressed the Club's displeasure with the actions of Mr. Jim McFadden, a Director of the USCF. The USCF was urged to seek Mr. McFadden's resignation or removal.
